

Your Moving Options

	Option #1 DIY	Option #2 DIY + theMovingBOX®	Option #3 Full Service
Price	\$	\$\$	\$\$\$\$
Insurance Coverage	X (No Coverage)	✓ (Total loss coverage while in transit, in the event of an accident)	✓ (Full coverage available for an additional premium)
Transportation	X (Rent or borrow vehicle to transport belongings yourself)	✓ (The Moving Box does all the driving for you)	✓ (Full service moving company does all the driving for you)
Pros	<ul style="list-style-type: none"> • Low cost. • You have complete control of your move. 	<ul style="list-style-type: none"> • Pack your Moving Box at your own pace, your Box can be delivered weeks or months in advance, making your move very convenient. • Ground level access makes loading very efficient and convenient. • Complete flexibility in-case of delays or problems with house closing date. 	<ul style="list-style-type: none"> • Movers will do the heavy lifting for you.
Cons	<ul style="list-style-type: none"> • A long day of packing and unloading, likely from morning until evening. • Multiple trips due to limited space if you have a smaller vehicle. • The truck is not ground level, and requires walking everything up a ramp. • Loading heavy items yourself, leaves risk for injury. • You are not insured if any of your items are damaged during the move. • You have to buy pizza and drinks for your family and friends who help. 	<ul style="list-style-type: none"> • Still have to load heavy items yourself, however you have lots of time to pack it. • Still have to buy pizza and drinks, however you'll have more time to enjoy it as the move will be much quicker. 	<ul style="list-style-type: none"> • Very expensive, likely to be double the cost of the alternative. • You will need to take the time to research companies to make sure they are reputable. • Potential for cost to increase significantly if problems arise with house closings.
